

Infrastructure Details

No. of Class Rooms	32
Seminar Halls	8
Administrative Office	
a) Principal Office	1
b) PA to Principal Office	1
c) Registrar Office	1
d) Accounts Office	1
e) PRO/PS To Chairman Office	1
f) Reception Area	1
g) Society/Board Room	1
h) Examination Control Room	1
i) Conference Room	1
Dispensary	1

Library Details	
Volumes	18622
Titles	3601
Journals(National/International) /Magzines	77
News Paper	13
Library Management Software	01 (KOHA)
Reading Room Capicity	150
Multimedia PC	10

Green Hills Engineering College

Kumarhatti-Nahan Road, Distt-Solan HP

Labs Details

Department	Lab Name
Electronics & Comm. Engineering	Analog Electronics Engineering Lab
	Communication System Lab –I & II
	Basic Electronics Lab
	Control Engineering Lab
	Data Communication Lab
	Digital Electronics Lab
	Electronics Circuit and Simulation Lab
	Microwave and Optical Communication Lab
	Microprocessor & Advance Microprocessor & Microcontroller Lab
	Optical Fiber Communication Lab
	Television Engineering Lab
	PCB and Electronic Workshop Lab
	Microprocessor Lab
	Computer Science & Engg.
Computer Graphics Lab / C#.net Lab	
Data Structure and Algorithms Lab / Operating System Lab	
Hardware/PC Lab	
Computer Networks Lab / System and Network Administration	
Numerical Method Lab	
Internet Technology / Project Lab I & II	
Multimedia Application / Web Technology	
Computer Programming Lab / Artificial Intelligence Lab	

Continue to 2nd Page

Mechanical Engg.	Fluid Mechanics Lab
	Strength of Material lab
	Auto Cad Lab
	Metrology and Interchangability
	Dynamics of Machine
	IC Engine Lab
	Kinamatics of Machine
	Refrigeration and Air Conditioning
	Fluid Machines
	Manufacturing Technology
	Heat Transfer Lab
	Material Technology Lab
	Automobile Engineering Lab
	Electrical Engineering
Transmission & Distribution Lab	
Circuit Theory Lab	
Bio Medical EngineeringLab	
Computer Applications To Power System Analysis	
Electrical Machines-I	
Power Electronics Lab	
Electrical Measurement & Measuring Instruments	
Switchgear and protection lab	
Electrical Machines -II lab	
Transducer & signal conditioning Lab	
Information Technology	Data Mining Lab / Data Base Management
	C#.net Lab
	Data Structure and Algorithms / Operating System
	Computer Graphics Lab
	Numerical Method Lab
	Computer Network Lab
	Internet Technology Lab / Project Lab I &II
	Multimedia Lab / Web Technology
	Advanced Java
	Communication & Professional Skills lab II / Computer Peripheral lab
	Computer Programming Lab Artificial Intelligence Lab

Continue to 3rd Page

Civil Engineering	Building Material Laboratory
	Concrete Laboratory
	Environmental Engineering Laboratory
	Fluid Mechanics Lab
	Hydro Power and Hydraulic Machines lab
	Soil Mechanics Lab
	Structural Analysis Laboratory
	Surveying Lab-I
	Surveying – II Lab
	Transportation Engineering Laboratory
